

# Website Terms of Use

Effective revision: 22 October 2026. Business correspondence address above; confirm registered office against Companies House before publication.

## 1. Operator and scope

This website is operated by Be Tech Secure Ltd (company number 14972630). These terms govern access to our public website, including articles, downloads, calculators, AI assistant interfaces and enquiry forms. Separate written terms govern any purchased services.

## 2. Permitted use

You may browse and download resources for lawful internal evaluation. You must not scrape the website at scale, circumvent security controls, introduce malicious code, misuse forms or assistants, infringe intellectual property rights, or attempt unauthorised access. You must not submit sensitive information to public-facing forms unless expressly requested and an appropriate secure channel is provided.

## 3. Resources, calculators and AI content

Guides, assessments, automated reports, AI-generated responses and pricing estimates are general information, not a guarantee of security, legal compliance, suitability or an agreed quotation. Automated content may be inaccurate or incomplete; verify important conclusions with a qualified professional. External security checks use available information and do not constitute penetration testing or a full audit.

## 4. Intellectual property

Unless otherwise stated, website materials and branding belong to us or our licensors. You may retain a reasonable copy for internal business reference but may not republish, resell, remove notices or commercially exploit materials without permission.

## 5. Availability and links

We may update, suspend or withdraw any website feature without notice. Links to third-party sites are provided for convenience and are not endorsements. We cannot promise uninterrupted, error-free or malware-free access.

## 6. Forms and communications

When submitting an enquiry, you confirm that the information supplied is accurate and that you are authorised to provide it. Sending a form does not create a customer contract or oblige us to accept work. Our handling of personal information is explained in our Privacy Policy.

## 7. Liability

Nothing excludes or restricts liability that cannot lawfully be excluded, including liability for death or personal injury caused by negligence, fraud or fraudulent misrepresentation. Subject to this, and to the extent permitted by applicable law, we are not responsible for losses arising solely from reliance on general website content or temporary unavailability. These terms do not affect mandatory statutory rights.

## 8. Privacy, cookies and marketing

Personal data is handled in accordance with our Privacy Policy. Non-essential cookies and tracking technologies are subject to applicable consent requirements; consent can be changed through the website's cookie controls where available.

## **9. Changes and law**

We may amend these website terms prospectively by publishing a revised version. English law governs these terms, subject to any mandatory rights of website visitors, and the courts of England and Wales have jurisdiction to the extent permitted by law.
